sheep

rabbit

Answers:  
dairy cow: 3; horse: 4; swine: 5; sheep: 4; chicken: 7; rabbit: 3; goat: 3

# Cow Spots

Fill in the cow's spots with fun patterns.

# Fill-in-the-Blank Story

This game is most fun played with two people! One player asks the other player for the type of word specified under each blank line without telling that player what the sentence says. Once all the blanks have been filled, read the story out loud and hear what kind of silly adventure you had on the farm!

## My Day at the Farm

Last \_\_\_\_\_, I visited the Filament Fiber Farm Animals. I woke up \_\_\_\_\_  
day of the week adverb  
early to start my \_\_\_\_\_ day. After I ate a(n) \_\_\_\_\_ breakfast of  
adjective adjective  
\_\_\_\_\_ washed down with a big glass of \_\_\_\_\_, I headed out to milk  
food drink  
the dairy cows, including Belle. Belle is \_\_\_\_\_ years old and is milked twice a  
number  
day. Her milk is made into many different varieties of cheese including \_\_\_\_\_  
type of cheese  
and \_\_\_\_\_. Did you know, 90 percent of Wisconsin milk is made into cheese?  
type of cheese  
That's more than 2.8 billion pounds of cheese per year, \_\_\_\_\_!  
exclamation

Next, it was time to collect eggs from the chickens, Beatrice, Matilda and Stella. I collected  
\_\_\_\_\_ eggs! Eggs are delicious and nutritious; I like to eat my eggs  
number  
\_\_\_\_\_.  
style of eggs

During my afternoon on the farm, I rode in the \_\_\_\_\_ tractor and helped plant  
color  
\_\_\_\_\_ and \_\_\_\_\_. After the crops are done growing in the fall, they  
crop crop  
will be used to make \_\_\_\_\_ food for all my Filament Fiber Farm Animal friends.  
adjective

I also helped with other chores like feeding Hoss the steer, brushing Edison the horse and  
cleaning Hank the sheep's pen. When I finished the chores, I was \_\_\_\_\_ and  
adjective  
ready for a \_\_\_\_\_ nap.  
adjective

What a \_\_\_\_\_ day at the farm it was! Thank you, farmers, for providing  
adjective  
delicious and nutritious food for my table. I hope to see my favorite Filament Fiber  
Farm Animal, \_\_\_\_\_, again soon!  
name of Filament Fiber Farm Animal
